CONDITIONS OF SALE & INFORMATION FOR ALL BIDDERS – PLEASE READ

IMPORTANT Placing a bid confirms that you have understood and agreed to abide by these conditions of sale.

BIDDING We encourage vendors to set conservative estimates. **Reserves are normally about 80% of estimate** (may be higher on valuable items). The usual rules apply and the successful bidder will receive the lot at one bidding step above the second highest bid. **If only one bid is received the lot sells at Reserve.** If two equal bids are received, the first bid received secures the lot. 'Buy bids' are not accepted.

A BUYER'S PREMIUM of 10% will be added to the hammer price of each lot.

PAYMENT We accept credit or debit cards (**no charge**), direct payment into our account or a signed blank sterling cheque (marked **Not to Exceed** etc). Cash (sterling notes) may be sent but it is at your risk! Invoices are due for settlement within **seven** days of receipt.

RETURNS We try hard to give accurate descriptions but mistakes happen occasionally, so we offer a **No Argument Refund** provided the lot is returned within **seven** days of receipt.

VIEWING Postal viewing is not normally possible but we will send photocopies for small lots (50p in stamps appreciated) or **we may be able to scan lots**. Please contact us to ask for clarification or more details about a lot, or if you wish to arrange to view lots at our home.

UK Data Protection Act If you bid we add your name to our mailing list and store your name and address. Any customer may contact us to ask us to remove their details.

Guide to Condition When interpreting this guide please remember the particular issue, age, printing and gum of the stamps involved. For sets it means the average condition for the set as a whole. We try to mention noticeable variations in descriptions, especially on key items

LM	Lightly Mounted Mint is better than FM (see below)
FM	Fine Mint, is usually above average for particular issue, clean stamp with fresh appearance and normal small hinge mark or remain.
MM	Average Mounted Mint is not as good as FM but still good

Equivalent grades for used stamps are **VFU, FU and GU**

Covers will normally have gone through the post so minor creases, tears and stains are to be expected and are not grounds for return.

Quest Philatelic Ltd is a registered company, proprietors Alec and Martha Webster. We are independent and not connected with any other company or auction house.
